4th Grade Unit 3, Lesson 14 Vocab
The Life and Times of the Ant

transport: carry from one place to another
social: relating to the way people live together
obstacles: things in the way
scarce: hard to find
exchanges: giving one thing and getting another
transfers: moves from one place to another
chamber: a room
reinforce: make stronger
storage: a place to keep supplies
excess: extra

4th Grade Unit 3, Lesson 14 Vocab
The Life and Times of the Ant

transport: carry from one place to another
social: relating to the way people live together
obstacles: things in the way
scarce: hard to find
exchanges: giving one thing and getting another
transfers: moves from one place to another
chamber: a room
reinforce: make stronger
storage: a place to keep supplies
excess: extra

4th Grade Unit 3, Lesson 15 Vocab
Ecology for Kids

- habitats:** the environments that animals and plants live in
species: a group of plants or animals that are alike
organisms: living things such as plants or animals
traces: marks left by people, animals, or things
vast: great in size
directly: in a clear and obvious way
affect: to have an influence on
variety: a number of slightly different things within the same group
radiation: energy in the form of rays or waves
banned: not allowed; forbidden
